1.0	New policy created.	HR Team	August 2018
2.0	Changes to composition of Interview Panels	HR Team	April 2018

West Lothian College is an inclusive organisation and all policies, procedures, strategies, plans, provisions, criteria, functions, practices and activities, including decisions and the delivery of services are assessed to consider the impact on staff and students covered by the Equalities Act 2010 by the completion of an Equalities Impact Assessment (EIA). Protected characteristics are defined as age, disability, gender reassignment, marriage or civil partnership (in employment only), pregnancy and maternity, race, religion or belief, sex, sexual orientation. All college policies and procedures can be provided in an accessible format.

Policy Statement

1 Aims

West Lothian College as a major employer is committed to creating an environment in which all are given equal opportunity.

The College aims to achieve a corporate and consistent approach in the critical area of recruitment and selection, to secure appropriately qualified and experienced staff to carry out the job functions required. In achieving this aim the procedure must take account of employment legislation, particularly governing equality of opportunity and good practice.

2 Scope

This policy applies to all existing posts of the College.

3 Policy

Human Resources is responsible for monitoring the operation of the Policy, recommending any improvements and identifying appropriate staff development for those involved in recruitment and selection.

All those involved in the interview process will receive appropriate training in interviewing skills, including non-discriminatory questioning.

1 Job Vacancy

1.1 Approval to fill Vacancy

A Staff Requisition Form should be completed by the appropriate manager for all vacancies. Where the vacancy occurs in an established position, the manager should not assume automatic replacement but should review the post with HR to see if it is still required in its existing format, or alternatively, whether restructuring of the post or department is required. No action should be taken to fill a vacancy or new post until it is established that there is a need for the work to be done and that it could not be undertaken by existing staff.

1.2 When the Staff Requisition Form has been completed the manager should pass the form to the Executive Office for signing by the relevant Vice Principal and thereafter by the Principal. Once signed off the vacancy will be processed by HR who will enter the job advert into the My Job Scotland (MJS) portal.

2 Planning

2.1 Job Description

A job description will be produced (or updated if it already exists) in all cases by the manager in conjunction with HR. The job description will be produced in a consistent manner and format.

This will contain information on the posts

- remit and objectives;
- duties and responsibilities;
- position within the organisation; and
- skill, knowledge and experience requirements.

2.2 Person Specification

It is essential to prepare a person specification for each post to be filled. The aim of a person specification is to define more specifically the knowledge, skills and experience required to carry out the tasks summarised in the job description. The person specification will be produced in a consistent manner and format. This will contain:

- educational attainments
- work experience
- general abilities
- specific aptitudes
- motivational & personal traits
- circumstances

2.3 Job Advert

The advert gives a clear idea of the main duties of the job and the work environment, and indicates the essential requirements for the job drawn from the person specification. An advert is prepared by HR in conjunction with the appropriate Manager.

3 Advertising

3.1 Internal/External Advertising

All vacancies will normally be advertised internally and externally in the first instance and **all** existing staff will be eligible to apply.

Advertising Media

All jobs will be advertised on the My Job Scotland portal. Other advertising media will be considered as follows:

- Job Centre website
- Trade Publications
- Social Media
- Universities/Colleges links
- Word of mouth/existing employees

All candidates will be directed to apply via the My Job Scotland portal. When advertising in newspapers or professional journals is required consideration must be given to the nature of the post, in order to maximise the number of suitable applicants with minimal expenditure by carefully targeting the appropriate media. This should be agreed in conjunction with HR.

4 Handling Applications

4.1 Application Pack

The application pack will contain:

Application Form, including Equal Opportunities Monitoring Form
Job Description and Person Specification
Job Advert

4.2 Application Form

Application forms will be completed for each post. All applications will be on the My Job Scotland portal.

4.3 Equal Opportunities Monitoring Form

On receipt of the completed application form the Equal Opportunities Section is detached. It is not shown to the selectors. HR is responsible for the safekeeping and confidentiality of the Equal Opportunities monitoring information. The information contained in these forms is used for statistical purposes, primarily the monitoring of job applicants and the composition of the workforce.

5 Short-Listing

5.1 Criteria

Via My Job Scotland, the appointing Manager will shortlist on the following criteria:

- Educational Attainments
- Work Experience
- General Abilities/Special Aptitudes

The scoring falls into the bands of 'exceeds/meets/falls below'. There is no minimum or maximum number of candidates who should be short-listed, although three to five is the ideal. Re-advertisement may be considered where insufficient candidates are available.

A periodic review of shortlisting will be done by HR to ensure that candidates with disabilities are not being discriminated.

6 Interview Arrangements

Where possible, candidates should be given a minimum of one week's notice of interviews. The call to interview letter will state the date, time and place of interview and to whom the candidate should report. Candidates will also be asked if they require any special access needs. If it is intended to test the candidates at interview, for example by carrying out a typing test, this will be stated in the interview letter. Candidates will be asked to confirm their attendance at interview.

Interview arrangements for Lecturing roles will normally involve the following:

- Written Lesson Plan
- Mini Teaching Session (A Student Vice President will observe this Session and provide feedback on the candidate's teaching).
- Q & A
- Panel Interview
- Department Visit

Interview arrangements for Manager/Senior Support staff will normally involve the following:

- Presentation
- Q & A
- Written exercise
- Panel Interview
- Department Visit

Interview arrangements for Other Support staff will normally involve the following:

- Panel Interview
- Practical Exercise (if appropriate)

7 Conducting the Interview

7.1 Panel Members and their Roles

The role of the Interview Panel is to identify the candidate who is most suitable for the post. All members of the Interview Panel should be familiar with the contents of the Person Specification.

The Panel will consist of the following:

- For Managerial roles: member of Senior Team, Line Manager, HR Business Partner.
- For other roles: Line Manager, other appropriate management representative(s) (if required), HR representative.

7.2 Questions

For each interview there will be a bank of questions with scoring indicators.

The following questions will be asked:

- Behavioural: the candidate will be asked to cite examples from past behaviour/actions.
- Values based: the candidate will be asked questions relating to the College's values.

Furthermore, some subject specific/Technical questions will be asked and the line manager will be requested to provide these questions.

In addition, after reading thoroughly through the candidate's application form the interviewer is able to select particular points for clarification or expansion.

7.3 Structure

The structure of the interview is pre-arranged with questions as outlined above and there will also be the opportunity for probing specific areas. This assists in fair, consistent interview and selection. The roles of the panel members during the interview process are as follows:

- The appointed Chairperson will coordinate the interview.
- The Panel Members will question the candidate to assess their professional and technical suitability for the post. In framing their questions they will have regard to the job description and the Behavioural, Values Based and Subject specific/Technical questions, as well as the candidate's application form.
- It may be due to the technical nature of the role that an additional panel member from the department is required to join the interview panel.
- The HR representative in addition to asking appropriate questions, deals with issues relating to employment conditions and must be satisfied that an appropriate decision is reached.

The HR representative should ensure that each interview is conducted fairly, with regard to legislative requirements and to College policy. Prior to interview the HR representative will ensure that all panel members have copies of the information sent to applicants and copies of the application forms.

The Chair informs Panel Members how the interview will be conducted, and introduces candidates to the Panel. At the end of the interview he/she ensures that candidates have had an opportunity to have any reasonable question answered. Following the final interview the Chair hears the views of all members of the Panel on the suitability of the applicants for the post and a scoring matrix is completed and signed by each panel member.

A preferred candidate/s should be identified and a reserve candidate should also be identified, where possible.

7.4 Conclusion

The aim, at the conclusion of the interview, is for the panel members to reach a consensus in the overall candidate assessment and selection of the successful candidate.

7.5 Notes

The aim of the interview is to assess each candidate's ability to do the job. The interviewers may take notes in order to assess each candidate against the criteria in the Person Specification. These notes are useful if the candidate requests feedback and candidates can request them by

submitting a Subject Access Request. All papers should be returned to the HR representative.

7.6 Bribery

The College has a strict anti-bribery and corruption policy in line with The Bribery Act 2010. Accepting or allowing another person to accept a Bribe to obtain advantage in the recruitment process will be considered gross misconduct which will be subject to formal investigation under the College's disciplinary procedures.

8 Selection and Appointment

8.1 All Staff

The appointment process will be administered by the HR representative. A verbal offer will be made followed by a written offer letter. All offers will be subject to two suitable references, medical checks and Disclosure checks. No rejection letters should be sent to unsuccessful candidates until written agreement by the successful candidate has been received. Unsuccessful candidates may, on request, be given feedback on their interview/selection performance.

8.2 Health Screening

Medicals are not normally required. However, if the Occupational Health Service has any concerns over the Health Questionnaire, or if a post is in a high-risk area, a referral will be arranged with them.

8.3 Protection of Vulnerable groups (PVG) Scheme

It is part of the College process to request a PVG Check prior to employment due to the fact that contact may be had with children as part of the candidate's role at the College.

8.4 References

References are normally taken up at the time a selection decision has been reached following interview. A provisional offer of appointment will be made subject to satisfactory references. It is normal practice to obtain two references, in writing, and these should be provided by employers or other relevant sources. References from family members or personal friends will not be accepted. One of the references is normally from a current employer if in employment, or a recent employer if previously employed. The HR representative is responsible for the designing, sending and successful completion of such forms.

8.5 Terms and Conditions

Following receipt of the signed Decision to Appoint Form, an offer of employment letter will be sent to the successful candidate. A Written Statement of Main Particulars of Employment is sent by the HR representative to the appointee to advise him / her of the conditions of service, within 8 weeks of the start of employment.

8.6 Induction

It is the responsibility of the HR representative and the appropriate Manager to ensure that arrangements are made for Induction of the new employee, in accordance with the College Induction Procedure.

9 Complaints

All documentation relating to the recruitment and selection process will be held by HR along with reasons for non-selection of candidates. This will be kept for a minimum of six months.

Complaints should be submitted in writing to the Senior HR Business Partner.

Equality Impact Assessment
