

## Assisted Programmes Supported Courses

We provide a range supported programmes for students with additional support needs. The programmes cover core, life and employability skills that range from SCQF level 2 to 4. The programmes run over 3 full days and depending on the programme that you are matched to will determine which days you will be in college. In addition you will have the opportunity throughout the year to experience other activities across college.

Access to all assisted programmes is via the route below:-
