

Unfortunately, due to Covid-19 there is no West Lothian College Higher Education Fair on campus this year, so we can't be there to speak to you in person.

We welcome applications from students who are currently or have previously studied at College on either an HN or Access programme. Please take a look at the information below to help you consider your options after college and don't hesitate to contact us if you have any questions: [wideningaccess@napier.ac.uk](mailto:wideningaccess@napier.ac.uk) .

Our Open day is on Saturday the 10<sup>th</sup> October, you can sign up [here](#)

## Articulation

Transitioning from college to the second or third year of university is called 'articulation', which can also be referred to as advanced entry.

Many of our degree courses allow advanced entry, but this will also depend on your college HN and the course you wish to study at university. Check out the pathways app [www.pathways.ac.uk](http://www.pathways.ac.uk) to see which HNs articulate into our degree courses. Alternatively check out the course section on our [website](#).

[Here](#) is Myles a College Student who articulated from College talking about his experience.

We have a great reputation for supporting our students' pre/post entry and in this [film](#) Carole from the Coming from College team talks about the support we provide to College direct entry students.

## The Associate Student Scheme

West Lothian College is a partner in our Associate Student Scheme which allows you to study for your HND at one of our partner colleges whilst guaranteeing your place at Edinburgh Napier University. The guaranteed place is subject to you successfully completing your HN studies, with the required

grades in your Graded Units and meeting all other entry requirements. This guarantee is offered on a number of degree programmes within the School of Computing, and the School of Engineering & the Build Environment. Further information can be found [here](#).

### **Nursing Students**

If you have a query about our nursing courses please email: [nursingandmidwifery@napier.ac.uk](mailto:nursingandmidwifery@napier.ac.uk). We are planning on running a “live” session for nursing applicants in the next few weeks’ details will be provided to you through your college lecturer.

### **Care-experienced, Student Carers and Estranged Students**

We have a proud history of supporting students from care-experienced backgrounds, student carers and estranged students into higher education. Our team provides information, advice, guidance and tailored support to students from a range of backgrounds. So if you:

- are an unpaid carer (find out more information [here](#))
- are care-experienced (have you been in care at any point in your life? (find out more information [here](#)))
- are a young person estranged from your family (find out more information [here](#))

### **Minimum Offers**

For further information on our Contextual admissions and to find out if you are eligible please follow this [link](#).
