OUR WORKFORCE

WHERE DO WE WANT TO BE?

Attracting and retaining our people with the required skills for a workforce of the right size, shape, cost, and agility.

WHERE ARE WE NOW?

The college has an excellent reputation and strong identity with opportunities for career development, job security and a flexible approach to work-life balance.

The volume and quality of applicants for posts is strong and very few vacancies are unfilled. The college's selection process ensures the validity of selection decisions to recruit the optimum candidates. The college's Student Association are involved in lecturing selection processes.

Levels of retention are stable with an employee turnover rate of 14%, in line with the sector national average of 14% (Source: Office for National Statistics 2019) and an average rate over the last three years also of 14%.

All leavers are invited to complete an exit interview to identify reasons for leaving and offer the opportunity for valuable feedback.

A workforce planning exercise and resultant workforce plan is developed each year to ensure the organisation achieves its workforce requirements –

in regards to people and succession planning and suitability of roles, now and for the future.

A flexible bank resource of staff is also in place to meet short term staffing requirements – such arrangements are on a fixed term, contractual basis, avoiding the use of 'zero hours' contracts.

HOW DO WE GET THERE?

Ongoing work to enhance the college's reputation as an employer of choice, with a promotion of the favourable employment offer of competitive pay, generous leave entitlement, pension provision, opportunities for development and other employee benefits.

Reviewing staff structures as part of the annual and ongoing workforce planning exercise to achieve - within the staffing budget - the optimum mix of types and numbers of roles to deliver and support learning to ensure enhanced student experience and attainment.

Establishing an integral link between workforce planning aims and learning and development activities whether at individual or team level, to develop and improve required skills.

HOW WILL WE RECOGNISE SUCCESS?

The first indicator is the achievement of a zero unfilled vacancy rate. A further indicator is an ongoing, stable employee turnover rate and favourable feedback from leavers from the organisation.
