

# *Student Association Ambassador Role*

## Ambassador Role

### What is an Ambassador?

The Student Association are looking for a number of enthusiastic, reliable and creative Student Ambassadors to work with the Student Association on a volunteer basis, to ensure that we meet the needs of our Students.

Are you interested in listening to Students to find out about their course experiences and thoughts about how to make this even better?

Are you passionate about equality and diversity and making sure all students have the same experiences and opportunities?

Are you passionate about Student Mental Health and Wellbeing and are passionate about improving this for students?

Are you passionate in looking at ways to reduce our carbon footprint and have creative ideas about how we can educate students around sustainability and how to integrate new technology?

Do you have some create and innovate thoughts or ideas? **We need you!**

### Ambassador Roles and Duties:

- **Student Representation and Student Voice.**  
These ambassadors will help us to evaluate the student learning experience through SPARKLE and student forum discussions
- **Equality and Diverse Student Community**  
These ambassadors will help us to represent our students, work with our staff and student group called the Divers group to educate students, run events and create a college that supports ALL students.
- **Mental Health and Wellbeing**  
These ambassadors will help us to work on reducing poor mental health and increase wellness, help us work towards our student mental health agreement, healthy body healthy mind award and support students with poor mental health, promoting Recharge and working with external organisations to support students
- **Sustainability and Technology**  
These ambassadors will help us work to understand how the SA, College and Students can reduce our carbon footprint, educate, raise awareness, create action and examine how we can use new technology to improve the way we work.

## About the role:

As an Ambassador you will be to work directly with Executive Officers and Student Presidents to deliver the main objectives of the Student Association.

All ambassadors will work towards the Student Association strategic objectives to ensure that College is accessible for everyone and the SA can enrich the student college experience. The SA wants to ensure that all students feel represented, supported, have equal opportunities and amplifies the student voice, with a key aim of being to work in partnership with the College to influence positive change.

## Time Expected

We expect our ambassadors to be able to attend a weekly meeting, which will last approximately an hour during lunch time, so this won't interfere with your studies.

In addition, we expect the ambassadors to give their individual projects approximately 1-2hrs a week. This is flexible, with the exception of meetings that you may have to attend. The SA will try to be as accommodating as they can to meet your needs as a student, as well as the needs of the Student Association.

## What do you get in return?

In return, we will issue you with a volunteer certificate from the Student Association, which will be valuable for your CV and when applying to UCAS or employment. This is a volunteer role and not paid however, we would like to offer you a small voucher as a thank you for your contribution.

There will also be additional opportunities to attend certificated training events should you wish.

Should you wish to apply for any of these roles, please complete the Microsoft forms link here: [Click here to apply](#) **OR** you can also use your phone with the QR code. **Applications close on 1 October at 12 noon.**

If you need any support in completing the link or QR code, or need any advice about the roles, please either email us [StudentAssociation@west-lothian.ac.uk](mailto:StudentAssociation@west-lothian.ac.uk), contact us on Teams or call 01506 427 701.

Training (approx. 3hrs) will take place w/c 3 October 2022 (Day and time tbc)

West Lothian College Student Association commits to support a culture and environment which promotes health, wellbeing and equality.
