

The Student Association works on activities that are important to Students. A Strategic Plan was created to ensure that the Student Association are meeting the needs of our students.

Some activities that the Student Association are working on this year include:

- Hosting our annual Fresher Fair in September
- Halloween events and quiz
- Hosting our annual Christmas Fayre on the Square in December
- Hosting a Refresh Health and Wellbeing Fair in January
- Movie opportunities
- Student Mental Health Agreement. This is a joint commitment from the college and Student Association to improve student health and wellbeing
- Respect and Anti Bullying campaign
- LGBT Charter- Going for Gold
- Rejuvenation of wellbeing outdoor space
- Weekly clubs for students which include; Games Club, Chess Club, Dungeons and Dragons Club, Book Club, LGBTQI+ Club
- Activities to ensure there is a strong student voice and students are able to feedback, which include:
 - Sparkle survey, Induction Survey and Student Satisfaction and Engagement Survey
 - Your Voice -Ask the Principal Question Time
 - Creation of inviting and accessible Student Association Space (SA Hub, No1 on the square)
 - Open door policy, meaning students can pop in and speak to a Student President at their convenience
 - Creation of an online Student Association community on Microsoft Teams so students can access information at a time that works for them
 - Weekly student communication

- Support with comments, enquiries ideas and complaints

AND so much more! Interested in being part of the Student Association team? Volunteer with us!

You said: "Poor quality sound in the gym hall".

We will ensure audio systems and speakers are improved and tested before next induction.

You said: "We didn't survey part-time students". Next year, we will survey part-time students.

You Said, We Did

You said: "Induction is repetitive for year 2 students".

We will consider making Induction an optional choice for year 2 students.

You said: "Induction is anxiety provoking, but good once you get over it".

We will send a timeline and virtual walkthrough of the induction when you receive your offer.

You said: "Overwhelmed at having to go to large event on the first day at college".

We will improve the communication to students before induction to help them feel more comfortable.

You said: " We need better signposting around college, some tours were very brief".

We will revise the virtual tour of college on the website to help students to navigate easily

↓
Also, smaller and quieter inductions for neurodivergent/ anxious students will be available.
